15th July 2024

Dear Sir/Madam,

Subject: Haugh Field Farm Wetland Creation and De-culverting

INVITATION TO TENDER

Ribble Rivers Trust (RRT) is inviting tenders for the construction of a number of wetlands and the de-culverting of a watercourse at Haugh Field Farm, near Skipton.

This project is part of our Species Survival Fund project "Room for Rivers", funded by Defra.

This tender pack includes:

1. Concept Design
2. Access Plan
3. Underground Service Maps
4. NEC3 Short Contract
5. Local condition form for site visit

Timetable

- This project is programmed for delivery this year 2024. In order to deliver the works with decent weather / ground conditions, as early a start as possible is required. If ground conditions become untenable during the works, the job may be suspended until the earliest next available opportunity.

To respond to this tender, please submit by email to adam@ribbletrust.com

Please submit the following with your tender return:

1. Local condition form for site visit
2. Completed and signed NEC3 Contract including price list
3. Proposed project programme (e.g. Gantt Chart)
4. Examples of previous relevant experience
5. Proof of insurance
6. Draft construction phase plan

Tender deadline:

Quotations should be returned no later than **17:00 Monday 29th July**.

WORKING TO IMPROVE, PROTECT AND PROMOTE THE RIBBLE AND ITS CATCHMENT FOR WILDLIFE AND PEOPLE
